How can I help my child stay safe on line?

September 2015

- E-safety in the school curriculum
- What is safe and responsible internet use?
- Apps, games and social networking websites
- What are the online risks?
- Scenarios for discussion
- What can I do?
- Reporting procedures
- Further information
- Any questions

PSHE, Computing and E-safety

- E-safety is taught within both the PSHE and computing curriculums at Green Lane, in each year group from nursery to yr6.

- The emphasis is on ensuring the children become safe and responsible internet users whilst still benefitting from the technology and information available.

- E-safety is constantly evolving and is not just a school issue.

Safe and responsible internet use (Digital Literacy)

- technical literacy - knowing your way around technologies and having technical skills;

- media literacy - understanding different platforms and being able to judge the quality and reliability of online sources;

- social literacy - understanding online etiquette and the way things are done online.

Could you name all the Apps, websites and games your children are accessing?

- Snapchat
- Facebook
- Instagram
- ooVoo
- Tumblr
- WhatsApp

- Vine
- Twitter
- Minecraft
- Youtube
- Clubpenguin

What are the online risks?

- Privacy
- Identity theft (including password sharing)
- Cyber Bullying
- Cyberstalking
- Age inappropriate content
- Online reputation
- Online Grooming
- Radicalisation
- Emotional implications

So what can we do to help our children stay safe?

- Internet restrictions

- Access to or control of online accounts

- Settings on Ipads, phones, browers

- CEOP and other websites - reporting and information and advice

- Remaining up to date with current technologies, apps and trends

- Open and honest discussions

Reporting

- CEOP
- Facebook and other sites own reporting systems
- Informing school
