

1/3/17

Dear Parent/Carer

Results of Parent Questionnaire

Below are the results of the responses to the recent parent questionnaire sent out last month. The numbers in the graphs are in percentages.

Overall the responses are positive. Staff and our governors (Education Advisory Board) feel that the academy is well supported by parents and feedback is used to continue to improve. I would like to thank all parents who took the time to respond. We had 263 replies, which is really fantastic and the large number provides a wide view of parents, our most important stakeholder after the pupils themselves.

The least strong areas indicated by the questionnaire are:

- Homework
- Behaviour
- How we respond to concerns
- Sharing information on pupil progress
- How well the school is led and managed

You said – we did! In response, we are committed to improving:

- Our homework policy - so that all pupils receive homework that is well devised to meet their individual needs and is a positive experience.
- How well we tackle behaviour in relation to incidences of bullying, however minor, ensuring that every child feels safe in school at all times.
- Prompt responses to parental concerns, sharing information which gives parents 100% confidence and trust that issues are resolved quickly and with outcomes for children at the heart of what we do.
- Sending more information home with regards to the progress of your child– this will be ongoing. Feedback on what you find most useful is very welcome!

By working on the above we think that the percentage of parents who feel that the school is well led and managed will also be raised. I will send the questionnaire out again next term to measure our success in the above areas from a parent/carer's perspective.

Thank you again for taking time to respond.

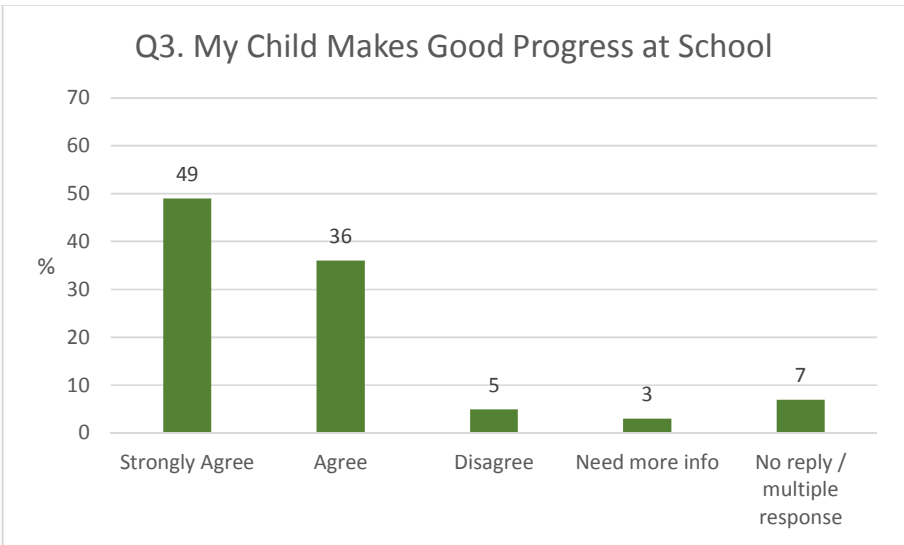

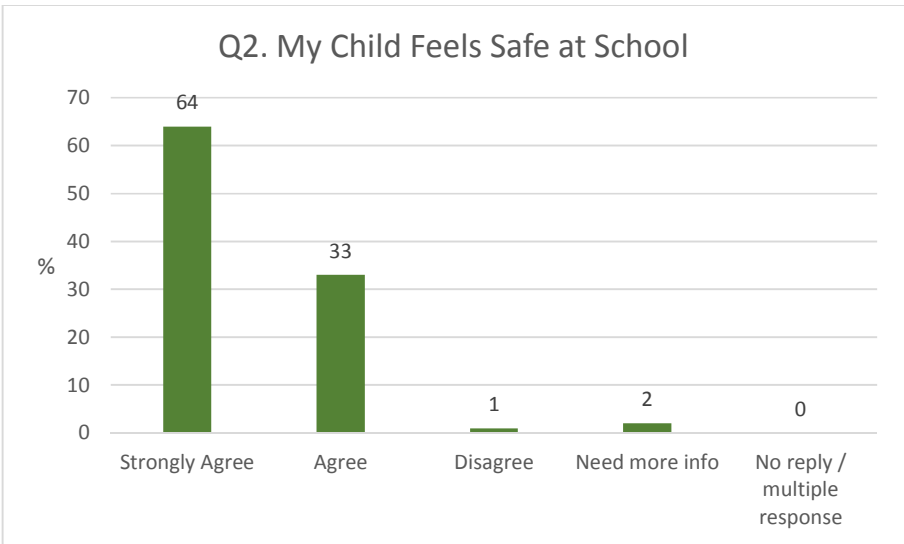

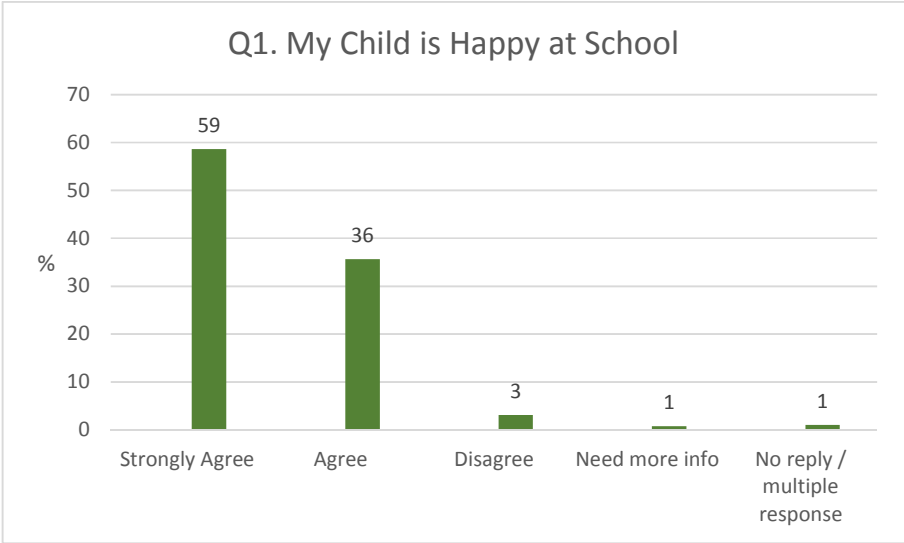

Yours sincerely,

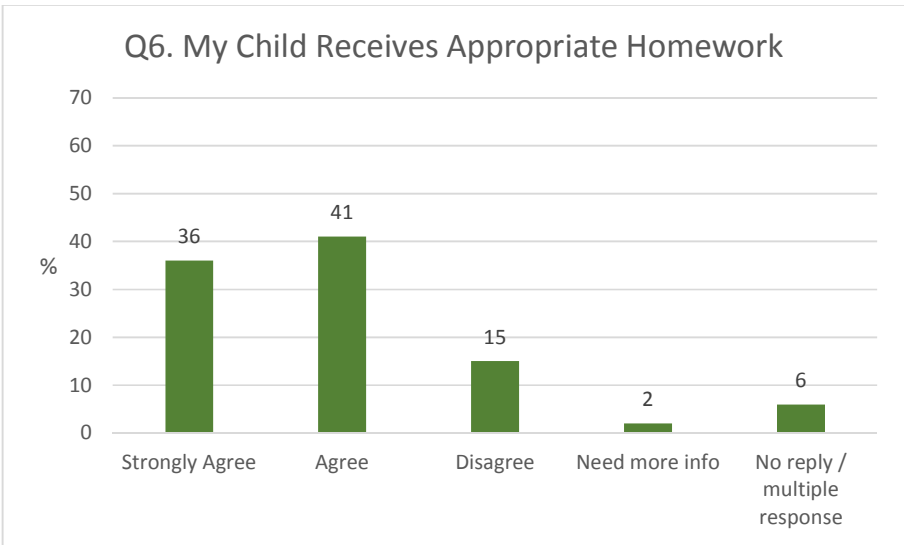

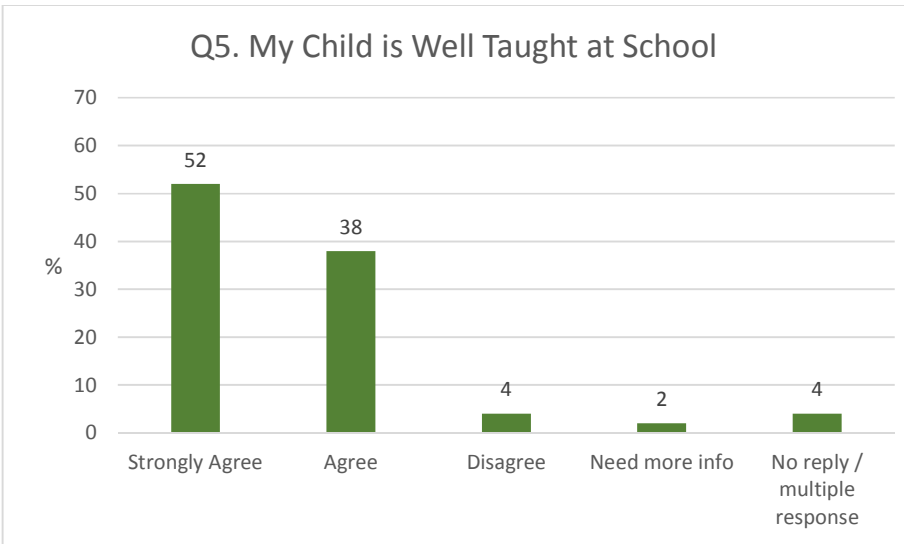

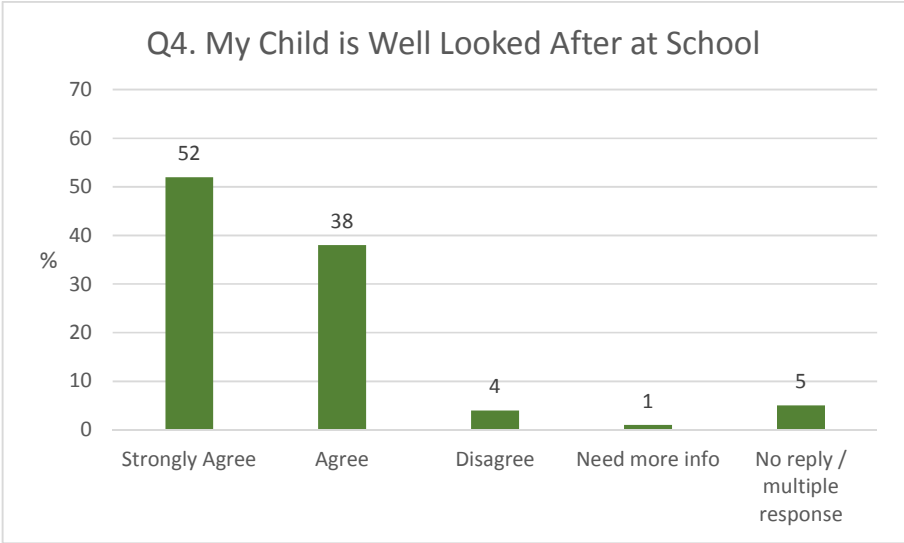

Mrs Trish Gavins
Executive Principal
