Welcome to our second community newsletter!

Construction Update

Our building work has certainly come on at a pace since Christmas. Just before Christmas we moved our Year 1 children into their two new classrooms. This unit is bright and spacious and gives our Year 1s an amazingly space to learn.

At the beginning of March our Year 4/5 class moved into their new classroom which is filled with natural light and is a great addition to the Upper Key Stage 2 learning environment.

We are looking at our new main entrance opening after the Easter holidays and we are really pleased with our modern, refreshing design. We will also complete our new staffroom at this time which will then make way for our current staffroom to be refurbished to give us another new classroom for our Year 6s.

Car Park Update

The car park works will start during the Easter holidays and are expected to last approximately six weeks due to the construction company having to work around us and children coming and going. Unfortunately, due to the extent of these works, there will be limited onsite parking so there may be some additional parking in local streets for a couple of weeks. We apologise for any inconvenience this may cause but the end result will be an overall increase in onsite parking meaning an improvement in the overall situation for our neighbours.

Community Forum

We will be hosting our next community forum on Thursday 21st May at 6pm and we would like to extend an invitation to everyone to join us, not only those on our mailing list but also any of our neighbours who you may be in touch with. We are hoping one of our ward councillors will be able to attend and we will invite a representative from West Yorkshire Police.

Open Door Policy

The academy has an open door policy. We encourage the community to contact us directly in order to support you with any issues or concerns you may have regarding the academy. Our contacts are:

Parking Update

We would like to thank West Yorkshire Police and the Leeds City Council Traffic Wardens for their support with dealing with parking issues over recent months.

Easter Mini Fair

Friends of Green Lane will be hosting an Easter Egg Hunt in the grounds of the academy on Thursday 2nd April- watch out for the Easter Bunny!

Decorated Egg Competition

The theme for our annual decorated egg competition was Garforth in Bloom and we had over two hundred entries. We were very lucky to have a visit from members of Garforth in Bloom to judge our entries and award our prizes.

Well done to everyone who entered and special congratulations to our winners!
