Community Forum

We would like to thank everyone who attended the first community forum that was held in July. It was a great turnout. During that forum, it was decided that a community newsletter would go out once a term. We hope that it is informative and meets your needs. However, if you can think of anything that you feel should be included in the next newsletter, please contact Mrs Pitchfork in our office.

The next Community Forum Meeting will be on **Monday 6th October from 6-7 pm**. We welcome all who would like to attend.

Construction Update

We have been pleased with the progress of the building. As you may be aware, we now have the foundations and floors of the extended office and the new Year 1 classroom. The foundations for the new infant entrance have been dug. Walls are now going up and things are beginning to take shape. The approximate construction timetable is as follows:

Week of 15th October- Digging of foundations for KS2 classroom

Week of 27th October- Completion of Office, Year 1 classroom and infant entrance

Week of 6th November- Completion of KS2 classroom and new infant building entrance. Digging of foundations for Staffroom

Week of 5th January- Completion of Staffroom

The car park schedule will follow the completion of all building works.

Open Door Policy
