

Year 2

Spring 2018

Happy New Year!

We hope you enjoyed the festive break and made some incredible memories along the way. As a new year dawns, in Year 2 we are incredibly excited to get back in the classroom and continue our learning journey, and there is much to be excited about.

Positive Postcards

From Spring term, each class teacher in Year 1 and 2 will be sending out postcards to parents, to share positive messages about their children's progress in learning. Each week, teachers will recognise two pupils from their classes for a very special reason. So keep your eyes peeled for a positive postcard coming your way.

Reading

Your continued support with reading is essential to your child's progress in the subject and we appreciate all the help you can give at home. Please ensure that children read for 15 minutes per day and that their reading records are signed. Also, it is important that their book bags are brought to school each day to enable the children to change their books regularly.

Reminder

Please ensure that children have their full PE kits in school across the week. This includes suitable footwear for indoor and outdoor PE lessons.

Class staff:

Willow – Mr. Brakefield and Mrs. Page.

Poplar - Mrs. Merriman, Mrs. Wilks, Mrs. Atkinson, Miss. Wilson

Homework

This term we will be sending out suggestions on the types of activities you could do at home to support your child's learning in school. Where appropriate, additional homework will be sent home with children in order to best meet their learning needs.

Numeracy – We are still focussing on the 2, 3, 5 and 10 times tables in the Spring term and by now children should be becoming quicker at recalling related multiplication facts. We would also hope that children are being given the opportunity to use money, counting amounts and working out change
