Smoothwall Resource for Parents inspired by the Netflix programme – Adolescence

In school we use an online filtering and monitoring system for internet use via a company called Smoothwall. Smoothwall have created an online resource for parents, inspired by the Netflix programme – Adolescence.

This provides useful information for parents on understanding young people's experiences of social media, as well as how to have conversations about social media use and well-being. We hope this is informative and useful. Please follow the URL link or QR code - [Navigating Child Digital Safety_|_Insights From Netflix's Adolescence](#)

Football Success

E.Williams and P.Gipson travelled to Holland over the Easter holidays to compete in some football tournaments. Their team came 2nd in both tournaments. This was their first European tournament. This is a great achievement and they should be extremely proud of themselves.
